LA GRANGE FARMERS' MARKET & ARTISANS  
MARKET RULES AND REGULATIONS

2010

*MISSION STATEMENT: To provide opportunities for farmers, local purveyors, and artisans to sell their produce/goods directly to consumers while supporting the vibrancy and history of downtown La Grange as a commerce destination. This ongoing activity increases and expands the economic strength/viability of local growers and small business within our county while also contributing positively to the health and wealth of our residents.*

1. The La Grange Farmers' Market & Artisans (LFMA) is created and operated under the authority of Discover Downtown La Grange (DDL). The purpose of La Grange Farmers' Market & Artisans (LFMA) is to provide freshly grown produce, quality food products, and hand crafted goods to the public. Because the primary function of the market is food based, the market will limit the number of artisan only vendors to no more than **25%** of the number of total vendors for any one year. Grower/producer artisan vendors and intermittent artisan only vendors shall not count towards the 25% artisan only vendor percentage.
2. The LFMA will have either a Market Manager or LFMA Committee member to make decisions on the day to day operations of the market.
3. Read these market rules and regulations carefully before signing your application. Keep a copy for your records - these market rules and regulations are a part of your agreement with La Grange Farmers' Market & Artisans (hereinafter "LFMA"). Failure to observe these market rules and regulations may result in suspension or termination of your LFMA participation. If you have questions regarding these market rules and regulations contact any LFMA Committee member. The market rules and regulations set out below shall be a part of the agreement between the vendor and LFMA and by signing the application the vendor agrees to be bound by them.
4. The term "vendor" or "member" means anyone growing/producing within a 60 miles radius of La Grange, KY, and within the boundaries of the Commonwealth of KY. Children under the age of 16 may participate in the market but only if supervised by a parent or other adult. "Allowable goods" include flowers, dried flowers, vine wreaths, gourds, body care products and beeswax candles (for which all materials must be found, grown or produced on the vendor's farm or land). Other allowable goods include vegetables, fruit, honey (in accordance with Sell Honey at Kentucky Farmers Markets 2010-2011 Kentucky Farmers' Market Manual), meat (must be processed in a USDA - inspected facility and bear the mark of USDA inspection), dairy (all dairy products must be manufactured under a "commercial" permit), eggs (according to Small Producer's Guidelines for Handling and Selling Eggs 2010-2011 Kentucky

Farmers' Market Manual) and poultry (must be processed in a USDA - inspected facility and bear the mark of USDA inspection) grown, produced or raised by the vendor, or processed, baked and canned goods produced by the vendor. Home-processed meat and poultry and/or custom-processed meat and poultry, including wild game, may not be marketed or sold at LFMA according to the 2010-2011 Kentucky Farmers' Market Manual.

5. Persons who shall be allowed to market goods include farmers and growers who raise their own produce, eggs, meats/poultry, and vendors who are approved to sell processed, baked or canned goods (as defined by HB391 located in the 2010-2011 Kentucky Farmers' Market Manual), and approved artisans. All produce or products must be grown or produced by the individual. No commercial produce is allowed. No items from the Louisville Produce Terminal, or any other wholesale outlets, are allowed. No brokers or re-sellers are permitted as members of LFMA. The market will provide an outlet for the sale of fresh picked produce, related agricultural, horticultural and craft products that have been grown, harvested, produced or made by the member. A high standard of quality and freshness is expected. The Market Manager or LFMA Committee has the right to prohibit the sale of any unacceptable item.

6. Participation in LFMA requires the submission of an application, reading the DDL, LFMA Market Rules and Regulations 2010, reading the 2010-2011 Kentucky Farmers' Market Manual, payment of fees, and selection by the LFMA Committee. Vendor selection shall be determined by the LFMA Committee. Any 2009 vendor shall be automatically approved. Any new vendor shall be voted upon by the Committee. Upon selection, vendors will receive a letter of confirmation from DDL/LFMA.

7. All vendors of produce, in event samples are given, and all vendors of baked goods, nursery plants, eggs, cheeses, meat and processed foods shall comply with any city, county, state and federal rules for inspection and handling, shall obtain all necessary permits and certificates, and show proof of same by providing copy to the LFMA with application. LFMA will require permits and/or certificates to be displayed on market days. Vendors selling processed food must be permitted through the Kentucky Department for Public Health - Food Safety Branch and have a current Home-based processing or Home-based Microprocessor permit. A copy of the permit must be provided to the LFMA Committee to be retained on file.

8. The market shall operate every Saturday at 100 West Main Street, La Grange KY 40031 on the Oldham County Courthouse lawn between May 15 and October 30 of each year. Hours shall be from 8:00 a.m. to 1:00 p.m. The LFMA has been granted the use of a specific portion of the lawn, and only members shall be allowed to set up and sell within this designated area. Vendors are welcome to set up both before and after the aforementioned dates of operation.

9. Vendors may supplement produce from their farm by no more than 50% with produce from neighboring farms. The farms must be within the 60 mile radius of La Grange, and within the boundaries

of the Commonwealth of KY. If you choose to supplement, you are responsible for the product as if it were your own.

10. Application process and fees:

All vendors shall be required to submit a signed application, no later than March 20, and mail or deliver their fees, copies of permits and certificates at that time. Fee schedule is as follows: \$50.00 per season for a 15' X 10' space, an additional fee of \$50.00 will be assessed for each additional 15' X 10' space. Returning vendors will be given priority in locations over other vendors. Decisions as to location of vendor space will be made on the basis of active participation during the 2009 market as well as the number of weeks the vendor will be selling. Those vendors who schedule participation for the entire season will receive priority for spaces. All decisions as to location will be made by the Market Manager and/or LFMA Committee. Charitable organizations must submit an application as a Vendor, but can request a waiver of fees. Application approval and fee waiver will be based on LFMA market needs.

11. Fees are due by the Annual Kick Off Meeting March 27, 2010. Failure to pay by the deadline will mean the applicant will lose priority in space allocation. Please note that there is no guarantee that you will have the same space that you had during the 2009 season.

12. The LFMA is sponsored by Discover Downtown La Grange, and the responsibility for development of rules and regulations is delegated to the LFMA Committee. In turn, The LFMA Committee or the Market Manager, who is an employee of Discover Downtown La Grange, is responsible for day to day enforcement of compliance with the rules and regulations. The duties of the Market Manager/LFMA Committee are set out separately, and may be modified from time to time by the Committee as the need arises, but generally, the Market Manager/LFMA Committee will ensure all vendors are in the correct location, have their permits/certificates, prices, and identification prominently displayed, and are not engaged in activities prohibited by these rules and regulations. The Market Manager/LFMA Committee will issue any warnings or sanctions, and will handle disputes between vendor/vendor and vendor/customer.

13. LFMA requires the following documentation (if applicable) from its members: Pre-Packaged Retail Sales Permit from the local health department, Home-based processing permit, Home-based Microprocessor permit and copies of recipes supported by the permit, Sampling certificate and organic certification (third party certification according to USDA standards by a recognized organic certifying agency). All permits and certificates must be prominently displayed at your stand during market hours of operation. You are responsible for your own Sales and Use Tax Permit issued through the Commonwealth of Kentucky Department of Revenue.

14. The following rules apply to the operations of the market:
- a. Selling time shall be from 8:00 a.m. to 1:00 p.m.
  - b. Vendors to remain in designated space unless Market Manager and/or LFMA Committee approve change.
  - c. Non-participation in accordance with the schedule represented on the vendor's application will result in a change of assigned location. Non-participation due to adverse weather conditions will not be considered a voluntary miss.
  - d. Members shall notify Market Manager and/or LFMA Committee member if they will not be present for any date, by calling **Russ Morris 502-243-3721** by 6:00 pm the day before, so their space may be filled in for the day. So long as an attempt is made to call, there will be no permanent change of space.
  - e. It is suggested that parking by vendors be away from the front of the market; except for vendors who keep inventory in a truck or other vehicle and need to periodically unload it to replenish stock during the market. Vendors shall be permitted to park in front in order to set up their booths.
  - f. Samples of raw produce or other foods may only be given if all requirements of the Kentucky Department of Agriculture have been met as represented by the Samples Certificate. Sanitation (hand washing and cleaning of implements) stands shall be set up as required by the Kentucky Cabinet for Health Services, Food Safety Branch.
  - g. All vendors are responsible for their signage. Each vendor shall display price, name and address, permits and/or certificates, and LFMA sign designating them as LFMA members (signs to be provided by DDL/LFMA).
  - h. Food safety and food handling requirements must be maintained at all times.
  - i. Pets on leashes or restraints are allowed in the market area, but any vendor may post his booth with a sign prohibiting pets from their designated area.
  - j. Members are responsible for the clean-up of their individual space, and shall leave it in a clean and undamaged condition. In the event a vendor sells consumable goods, he shall keep a trash receptacle at his booth. Members will display their products neatly and attractively, with consideration for the other members and the general public.

This agreement covers any expenses or attorney fees incurred by the above entities in defending themselves from any such claims arising from the member's acts. LFMA reserves the right to refuse membership in the Market to anyone.

18. All members are expected to follow any local and state rules for sampling and handling.

19. Other provisions:
